PRE-SOLICITATION NOTICE OF INTENT TO DISPOSE OF THREE STATE BUILDINGS AND PROCURE ALTERNATE SPACE FOR THE CURRENT TENANTS

Project: To sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and procure alternate space to relocate the current tenants.

Solicitation Number: TBD

Project Description: Based on the recommendations contained in the Comprehensive Real Property Evaluation, Strategic Planning and Implementation Report prepared for the South Carolina Department of Administration (Admin) by CBRE, the State will be issuing a Request for Proposals to sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and to procure alternate space to relocate the current tenants.

A RFP is being developed and the specifications will provide an opportunity to bid on purchasing any or all of the buildings and land and/or providing alternate space for any or all of the current tenants. Options for providing alternate space will allow for a range of options including, but not limited to, market lease, market purchase, and build to suit on either state owned or private land. The disposition of the properties and acquisition of new space will be broadly marketed to allow all interested parties the opportunity to respond.

Admin anticipates issuing the RFP in the fall of 2016. The State encourages competition and seeks qualified respondents. Therefore, if you would like to be notified when the RFP is issued, please provide your contact information via email to Jason Evans, Procurement Director for Admin, at Jason.Evans@admin.sc.gov. Please use the subject line "State Building Disposals and Tenant Relocation RFP."

INCUMBENT WORKER TRAINING ASSISTANCE

The Santee-Lynches Workforce Development Area (SLWDA) announces the availability of Incumbent Worker Training Assistance (IWT) under provisions of the Workforce Innovation and Opportunity Act of 2014 (WIOA). Funding is now available.

The purpose of this IWT Program is to assist employers in training currently employed workers in an effort to keep businesses and workers competitive. Private Sector South Carolina Employers located in the counties of Clarendon, Kershaw, Lee and Sumter faced with changing skill requirements caused by expansion, new technology, retooling, new services/product lines, and new organizational restructuring or as part of a layoff aversion strategy may be eligible for IWT assistance. Expected priorities are applications which show a significant upgrade in employee skills and or wage increases, significant layoff avoidance strategies, training plans that emphasize occupational skills training and businesses who have not received an IWT agreement during the prior program year (July 1, 2015–June 30, 2016).

If interested in receiving IWT funds, download the IWT Application and review the IWT Guidelines at the Santee-Lynches website at www.slworkforcedev.org. Return the signed IWT application to Mr. Esmonde Levy, Workforce Manager, Santee-Lynches Regional Council of Governments, Reference: IWT PROGRAM, 31 East Calhoun Street, Sumter, SC 29150 no later than 12:00pm on 11/14/2016. Questions can be directed to Esmonde Levy at levy@slcog.org
